

# ENSEMBLE avec THIEFFRY FRERES

Provenance des matières  
textiles et autres, de la  
collection.

Le joli lin quadrillé français, dont nous avons fait des  
nappes patchwork, des sets de table et des tabliers,  
provient de commandes spéciales pour un client.  
Une partie de celles-ci, ont de légers défauts de  
tissage (nœuds sur un fil de trame) et ne peuvent  
être revendues.  
Mise de côté, nous avons coupé la bande et  
réexploité le reste de la toile, en combinant  
différents coloris entre eux, amusant !  
Déclinaison de nappes à carreaux, dans un stock de  
tissu, fabriqué dans les années 70.  
Afin de ne pas gaspiller le fil, celui-ci était tissé sans  
destination précise.  
Des dizaines de mètres dorment aujourd'hui à côté  
de la chaudière !

Cette entreprise répondait à des appels d'offres  
émanant du domaine hospitalier. Les commandes  
étaient fabriquées, les budgets dépassés, et de  
ce fait, la marchandise jamais livrée. Dans cette  
collection capsule, les champs opératoires bleus  
Klein et vert menthe en gaze de coton, sont  
détournés en serviettes de table et les aîzées en  
beau coton épais, en nappes ! Le textile hospitalier  
est maintenant jetable...  
Cà et là des serviettes de toilette en éponge, des  
fins de stock, que nous avons décidé de transformer  
en sacs de plage ou autres !  
Quelques roureaux soyeux de coton à l'aspect  
structuré, ont attiré notre attention. Avec ce look  
stock est limité !  
Un gros lot de serviettes d'invités dans un joli camaïeu  
de bleus, est arrivé avec un défaut. La partie de  
même pour la plus experte des brodeuses !  
Après avoir coupé cette partie, nous avons accolé  
deux morceaux d'éponge et décidé d'en faire de  
belles pochettes.

De formation textile et aimant chiner depuis  
toujours, nous amassons des toiles vintage.  
Nous avons matché les couleurs et les matières  
pour en faire de jolies pochettes et des sacs. Pièces  
uniques obligent !  
Tomber sur un stock de couvre siège-auto abîmés,  
en billes de bois, et imaginer des cordons de  
téléphone à porter en bandoulière !
